CLEP Examination Credit Equivalencies

The following CLEP Exam scores and course equivalencies apply to matriculating students.

If a score report is not available at the time the initial schedule is made, students will be placed in entry-level courses. Student schedules will be changed once the college receives the score reports. No college credit is granted until official scores are received and evaluated by the Student Records & Financial Services Center.

Canisius College may change CLEP score requirements or course equivalencies at any time. For more information about CLEP credit equivalencies, contact the Student Records & Financial Services Center.

If you need to have an official score report sent, you must contact The College Board at 1-800-257-9558 or www.collegeboard.org and reference the Canisius Code: 2073.

Students may apply up to 30 credits of college coursework completed while in high school towards their degrees.
