

AS YOU WERE

Look familiar? The photograph above is of members of the Canisius College Glee Club. However, the names of the people pictured and the year the photo was taken are unknown.

This picture is one of many unidentified photographs housed in the Rev. J. Clayton Murray, S.J., Archives. The mission of archives is to preserve and identify items related to the college's history. Its greatest resource is Canisius alumni.

The Office of Archives has posted a series of unidentified photographs on its Web site (www.canisius.edu/archives) and would appreciate help from alumni to identify the people, places and dates of these photos. If you or someone you know is pictured in any of the photographs, please contact the archives at 716-888-2532 or send an E-mail to Kathleen M. Delaney (delaneyk@canisius.edu), archives coordinator, or Nancy E. Noel (noel1@canisius.edu) archives associate.
