Canisius Correspondence

I am a 1981 alumnus and my career path has taken me from Buffalo, NY to Sarasota, FL and a few cities in between. Even though my family brings me back to Buffalo, I will always feel a connection as a result of my education at Canisius College.

The *Canisius College Magazine* keeps me connected with a place that has given me a wonderful start professionally ... Gotta' be that Canisius Education.

What a beautiful job you've done on the *Canisius College Magazine*. It is, without a doubt, among the best that I've seen. Of course, I'm joining hundreds of others who have the same impression!

Congratulations! You're great!
