Campus Safety

Public Safety:

The Department of Public Safety is established to protect and serve the educational environment of Canisius College, keeping the environment free from the threat of physical harm, property damage and disruptive activity. We are continuously striving to build and maintain a high level of cooperation between the entire campus community and the Department, attempting to keep a high level of cooperation between the Department and the community surrounding the campus, maintaining positive communication between the Department and other law enforcement agencies, and providing regulatory and other miscellaneous services to assist in the attainment of the goals of the College.

The primary services of the Department include the enforcement of Federal, State and Local statutes and Canisius College ordinances, and crime prevention and control. We also provide emergency services for the injured and ill, traffic and parking supervision, and provide fire prevention and safety services.

REPORTING INCIDENTS:

Public Safety strongly recommends that all crimes and emergency situations which occur on campus or in the campus area be immediately reported. To report an incident:

- Call from an off-campus telephone call (716) 888-2330, or
- Visit the Public Safety Office in the lower level of Bosch Residence Hall.
- Identify yourself as a Canisius/Buffalo State Resident

Dispatchers are on duty 24 hours a day to take your call and dispatch Public Safety officers to investigate.

**Timely Notifications:**

When circumstances require immediate notification throughout the campus community, written and electronic special alerts, which outline the incident, are prepared and distributed.

**Canisius Alert System:**

The Canisius Alert system is an emergency notification system that enables college officials to quickly notify the campus community in the event of a significant emergency. The notices can be automatically sent to your cellular phone.

**Canisius Emergency Warning System:**

The Canisius emergency warning system is a public address system that can be activated to make real time emergency voice announcements in the event of a developing emergency situation on campus or in the general area.

**Canisius College Crime Statistics:**

**Blue Light System:**

Several exterior Blue Light Emergency Phones are located throughout the campus. These phones are easily identified by a blue light mounted directly above them. They can be used to report actual or suspected criminal incidents, fires and/or medical emergencies to Public Safety. They may also be used to request a shuttle van.

To operate the phone, briefly depress and release the red button on the panel. The phone will automatically dial the Public Safety dispatcher. When the dispatcher answers, talk in your normal tone of voice to relay your message. If for some reason you don't respond verbally, a uniformed officer will respond to the phone location to investigate. Calls will automatically disconnect in 3 minutes.
Buffalo State ID must be presented to bus driver in order to utilize the bus.

Fire Policy

FIRE SAFETY INSPECTIONS

Campus fire safety systems are routinely inspected and tested. Results are documented and deficiencies are addressed promptly.

Fire safety inspections are conducted by a NYS Fire Inspector, Facilities Management, and Student Life staff. Student Life staff will request the correction of any safety violations. A resident’s failure to remove dangerous or prohibited items when requested to do so by Student Life may lead to confiscation of the item or removal from housing.

RESTRICTED STUDENT HOUSING APPLIANCES & ITEMS

• Open coil heaters  • Deep-fat fryers  • Air conditioners
• Rotisseries  • Satellite dishes  • Hot plates
• Halogen lamps  • Stoves  • Woks
• Frying appliance  • Immersion coils  • Open flame devices
• Deep-fat fryers  • Any exposed burner

CHRISTMAS TREES/FLAMMABLE DECORATIONS

Real Christmas trees are not allowed in the residence halls. Only potted trees or plants are allowed in student rooms. During the Christmas season and throughout the year, only fire resistant decorations are allowed. Flammable decorations are not permitted in the residence halls. In addition, decorative electric lights of any kind are not permitted in residence halls.

CANDLES/INCENSE

Because of fire safety concerns in college owned housing, Canisius College has banned the use of all types of candles and incense. If these items are found during inspections, the Office of Student Life reserves the right to cut wicks off candles or confiscate and return the items to students at a later date.
All fire alarms should be considered fire alerts and the building of occurrence, regardless of its type, must be evacuated immediately. It is the policy of Canisius College that any known or suspected fire or activated fire alarm must be immediately reported to Public Safety. This can be done by either activating a fire alarm pull station in the area, using telephone by dialing 911 or call 888-2330 from a cellular telephone. In case of fire, you should activate the alarm in your area and evacuate the building immediately. If you are in a residence facility, if practical, knock on room doors along your evacuation route to notify residents of the fire evacuation. Do not attempt to extinguish the fire. Whether it’s an actual fire or a false alarm, the building must be evacuated immediately.

The following procedures should be followed:

- Wear or carry clothing suitable for the weather.
- Close and lock your room or office door.
- Do not stop to gather valuables.
- Leave the building via the stairway. (DO NOT USE ELEVATORS).
- Do so in an orderly and expedient manner.
- Do not obstruct passageways for firefighters or other emergency responders.

Remain outside and at least fifty (50) feet away from the building until the signal to return is given or you are directed to another building or area. Anyone remaining in the building during an evacuation is subject to disciplinary action. Based on guidelines established by the NYS Office of Fire Prevention, Public Safety will notify the Buffalo Fire Department in the event of an activated fire alarm or reported fire or suspected fire. All resident students must immediately evacuate their residence facility upon activation of a fire alarm by following the aforementioned procedures. Failure to do so will result in disciplinary sanctions, not limited to but could include removal from the residence halls, residence/college probation, and completion of fire education workshop. Upon an emergency evacuation of a residence hall, students must never reenter the building without the direction of the Public Safety shift supervisor. Do not under any circumstance reenter the building based on rumor or silenced alarm. Wait for the direction of personnel in charge. Again, direction about reentering a residence hall will come from the shift supervisor from the Public Safety Department, or the Buffalo Fire Department. Keep in mind that if the Buffalo Fire Department has been summoned to the scene of an activated fire alarm or suspected fire, they are the highest-ranking officials in control of the situation.

HOW TO SELECT A MEAL PLAN FOR BUFFALO STATE STUDENTS LIVING AT CANISIUS COLLEGE OR MEDAILLE COLLEGE

Step 1: Choose the right meal plan
Identify how much time you will be spending on Buffalo State’s campus and choose a meal plan which fits with your personal eating habits.

EXAMPLE:
- I will be attending class 3 days per week. My class schedule is 8am – 5pm on Monday, Wednesday and Friday. With 16 weeks in the Fall 2015 semester, I will be on campus 48 days. I personally like to sit down and have a meal once per day, while I am usually on the go and prefer quick service meals once or twice a day.
- The meal plan which fits my lifestyle best is: Flex Plus 50. This meal plan has 50 block meals to use at my discretion over the course of the semester as well as $1,000 in Dining Dollars for me to utilize at the on campus restaurants like Subway, Spot Coffee and Salsalita’s.

Step 2: Choose an amount of funds to transfer to Canisius College
Identify how much of the Dining Dollars on your Buffalo State meal plan you would like to have allocated to utilize on your Canisius College or your Medaille College ID card.

EXAMPLE:
- My meal plan is the Flex Plus 50 which comes with $1,000 in Dining Dollars. I know I would like the ability to get food at Canisius or Medaille College without always having to go back to Buffalo State’s main campus. I would probably like about $300 for the semester to have available to me, that’s about $15 - $20 per week.

Step 3: Signing up for your meal plan
All you need to do is download and fill out and sign the meal plan selection form from below and return the form to Buffalo State’s Dining Services and we will take care of the rest for you! To return the form, please select one of the following options:
- Mail: Attention Chartwells Dining Service - 1300 Elmwood Ave. Buffalo, NY 14222
- Fax: 716-878-3083
- Email: bangalard@buffalostate.edu

MEALS SWIPES
Each meal plan comes with a certain number of meals. Meals are used only in the Buffalo State resident dining hall all-you-care-to-eat buffet. Plans containing meals per week allow students to use up to the allotted meals provided by that plan per week. Meals reset every Thursday evening and any unused meals for that week are forfeited. Meal plans containing meals per semester allow students to use up to the allotted meals provided by that plan per semester. Meals do not carry over from semester to semester. Any unused meals at the end of the semester are forfeited.

DINING DOLLARS
Dining Dollars are a declining balance dollar account. They can only be used at dining services operated locations on the Buffalo State campus and are sales tax free. Dining Dollars will carry over from the summer to fall to spring semester. At the end of the spring semester, any unused Dining Dollars are forfeited. Dining Dollars may only be used at Buffalo State.

Buffalo State students residing at Canisius College must identify how much of the Dining Dollars on their Buffalo State meal plan they would like to have allocated to utilize on their Canisius College ID card. Dining Dollars allocated to Canisius College ID cards may only be used at Canisius College and may not be transferred back to Buffalo State. To allocate funds to a Canisius ID card please fill out the meal plan section form.

BENGAL BUCKS
Bengal Bucks are another declining balance dollar account. Bengal Bucks can be used at Buffalo State. Bengal Bucks may be used at campus dining locations, at the bookstore, the library, in vending machines, off campus at select locations and on performing arts ticket sales. Sales tax will be charged to purchases made with Bengal Bucks. Bengal Bucks will continue to roll over from semester to semester and from year to year provided you remain a Buffalo State student.
