Graduate Physical Education Initial Certification Program
Scheduling Information

The program has been developed to prepare candidates for successful teaching careers and assist each candidate in successfully meeting NY State certification requirements including the edTPA (Teacher Performance Assessment). See the program web site for more information on edTPA.

Any prospective student can view class scheduling options online. From the Canisius Web site, click on “Admissions”; then click on “graduate”; then click on "Course Schedules" to view current, previous and some future semesters.

Note: PEG courses are listed under the subject heading: Graduate Physical Education. Undergraduate Physical Education courses (PED) are listed under the subject heading: Physical Education.
