ment title 11 times and have played in the championship game 15 times - both numbers are league records.

- The three wins at last weekend's MAAC Tournament in Fairfield, Conn., improved the Blue and Gold to 52-17 all-time in MAAC Tourney play.
- No other program in the MAAC can claim more than 20 wins in the conference's postseason.

### Three is a Charm

- For the second-straight season, Canisius needed only three games to secure the MAAC Tournament title.
- The Griffs are 6-0 in MAAC Tournament games after getting bounced from the 2006 MAAC Tournament with back-to-back losses, the only time in school history the Griffs went two-and-out in the league tournament.
- From 1993-97, Canisius boasted a 15-0 record in the MAAC Tournament and secured five league crowns.

### The Coaches Were Correct

- For the second-straight season, the Canisius College softball team was picked to finish first in the annual preseason poll, which is voted on by the league's nine head coaches.
- Canisius is the only program in the last six years to be picked to finish first in the preseason poll and then claim the MAAC regular season and tournament titles.

### Early and Often

- Entering this weekend, Canisius has scored 50 percent of its runs in the game's first three innings, tallying a combined 122 runs in frames one through three.
- In all, the Griffs have outscored their opponents 122-48 through the first three innings this season.
- Canisius has scored more runs (60) in the first inning than any other frame this year.
- Those early leads have helped Canisius compile records of 31-2 when leading after four innings, 32-1 when ahead after five frames and 27-0 when leading after six innings played.

### Doubling the Fun

- Canisius enters the NCAA Tournament with a total of 72 doubles this season, which led the Metro Atlantic Athletic Conference.
- Nine Canisius players have at least five doubles on the year, with junior Jenny Maheu's 13 two-base hits leading the way for the Blue and Gold.
- The program record for doubles in a season was set during the 2000 campaign, when the Griffs collected 86 two-base hits (an average of 1.5 per game).
- Canisius ranks 28th nationally in doubles per game average this season with 1.44 per outing.

### The Buffalo "Stealers"

- The Canisius softball team enters this weekend with a total of 100 stolen bases on 107 chances, which ranks 13th in the country.
- The 100 steals this year is a new school record for the team, shattering the old record of 75, which was set in 1997.
- Canisius is the only team in the MAAC with three players listed among the top-five in stolen bases on the league leader's sheet.
- Lauren Hope's 38 steals in 2008 was a new league record, while senior Katie Miranto holds the "honor" of being the only Canisius player to be caught stealing more than two times this year.

### Free Passes

- The Golden Griffins have reached base a total of 135 times on walks or by being hit by a pitch.
- Canisius batters have been walked a total of 113 times, with Jenny Maheu's 19 walks leading the way.
- Seven different Canisius players have been hit by a pitch two or more times this season, with sophomore Michelle Fridey being hit a team-high five times.

### The Griffs' National Defense

- Canisius enters the NCAA Tournament as the MAAC's top defensive unit with a team-fielding percentage of .974, which currently stands as a school record.
- As of May 11, the Griffs rank 19th in the nation in team fielding percentage.
