

**Box 10. Rev. James J. Ruddick, S.J. papers
Earthquake notations, ca. 1992-2007 (21 folders)**

Scope note: Most of these notations are handwritten by Father Ruddick; they have been organized according to year. There is also a large amount of printout papers, most of these are from National Earthquake Information Center (NEIC). NEIC's mission is to identify the location and size of all destructive earthquakes worldwide and to quickly distribute the information to concerned agencies, scientists and the general public.
