

**Box 7 . Rev. James J. Ruddick, S.J. papers
Research notebooks, amplifiers, and time-travel
curves (6 folders)**

Scope note: Herein are Father Ruddick's handwritten research notebooks (1980-1999). The bulk of attention is placed in the Summer, 1987. Also included is research concerning Time Travel Curves for Buffalo, New York, including data sheets and lectures.

Folder 7/1 - Research notebook, Readpots C-64, Summer 1987

Folder 7/2 - Research notebook, summer 1987

Folder 7/3 - Research notebook. [ca. 1987]

Folder 7/4 - Research notebook, physics seismology notes. [ca. 1980-1999]

Folder 7/5 - Research: Travel Time Curves for Buffalo, NY

Handwritten notes, 2pp.

Data sheets and handwritten notes (18pp.). Sequence of Travel-time curves for Buffalo, NY, ca. 1994-96

List. Earthquakes (Western New York) occurring over 60 year period.

Handwritten note. approximate coordinates [n.d.]

Data sheets (4). ca. 1995 -1996

MapViewer printout (2). Estimation of station position, attached. [n.d.]

Handwritten notes (2). [n.d.]

Telefax. From J. Ruddick to Mr. [?] Ryan, 5/25/95.

Handwritten note. [n.d.]

Telefax. From J. Ruddick to D. Goralski, 5/25/95.

Map. Buffalo area [n.d.]

Data sheets (4). ca. May 1995

Data sheets (2). Travel-Time Curves, Buffalo, NY.

Lecture. "Earthquakes" given by James J. Ruddick, SJ, Jesuit Lecture Series, 3/20/96

Notes. Science Exploration Day, SUNY/Buffalo Amherst, 5/23/95.

Article (in French). [n.d.]

Charts (2) and data sheets (3). ca. 1995

Handwritten notes , [n.d.]

Handwritten notes, 9pp. [n.d.]

Plotting graph. Time-Travel plot for Buffalo. [n.d.]

Folder 7/6 - Amplifier Research

Research notes. On Amplifiers. [ca. 1992]

Instructions. from "ACQUIRE" to set up data acquisition [n.d.]
