

Earth Week 2009

Planned by Project Conservation

Monday April 20: Pledge to Go Green

- • *Time:* 12:00pm – 2:00pm
6:00pm – 7:00pm
- • *Location:* First floor of Student Center Lobby
- • *Description:* A light blue sheet will be displayed, allowing students to dip their hand in either white or green (two shades) paint and then put their handprint on the sheet. It is designed to replicate the Earth and will represent students' pledge to "go green."

Tuesday April 21: Recycled Jewelry Art

- • *Time:* Various times between 9:00am – 3:00pm
- • *Location:* Commuter Lounge
- • *Description:* Students can create necklaces/bracelets/etc. out of candy wrappers (i.e. Starbursts) or hemp string and beads. This is encouraging students to make the most of items normally seen as "garbage," and make them aware of the endless possibilities that can arise out of recycling.

Wednesday April 22: Planting Project

- • Earth Day
- • *Time:* 11:30am – 4:30pm
- • *Location:* Bart Mitchell Quad—Palisano Pavilion will serve as rain location
- • *Description:* Students will be provided with a 4" pot, soil and a plant, and as a result, will create a plant that they can take back to their dorm room—and then home with them after finals week. The goal is to stress that the easiest way to be a friend of the environment is to plant something.

Thursday April 23: Recycling Campaign

- • *Time:* 4:30pm – 6:30pm
- • *Location:* First floor of Student Center Lobby
- • *Description:* Bins will be provided for students to recycle any empty cans/bottles/etc., paper, ink cartridges, books, boxes or any other recyclable material. Displays will also be shown, informing students about food waste and paper waste.

Friday April 24: Energy Sustainability Competition Party

- • Arbor Day
- • *Time:* 3:00pm – 7:00pm
- • *Location:* Winning residence hall—to be determined upon completion of the Energy Sustainability Competition
- • *Description:* Food and drinks, music, yoga, massages, art, stress balls...this type of free fun is indescribable!

In conjunction with Earth Week, *no cover pages* will be printed prior to printouts in Palisano Pavilion, Delevan Townhouses or Village Townhouses
