CONSENT TO TREAT, ATTESTATION, AUTHORIZATIONS

Without signature Student Health can not treat this student. Parent or Guardian must sign for student under 18 years of age. I authorize the Canisius College Student Health Center to provide care and treatment to me (my child/legal ward) as deemed appropriate. I agree to the provision of care either by in person physical examination or remotely via telemedicine. This care includes but is not limited to routine, urgent, emergency care, medication, immunization, diagnostic studies and referrals to hospitals, clinics and/or medical specialists deemed necessary by the college's medical and/or nursing staff. In the event of a life threatening emergency or serious illness/injury of which the Student Health Center is aware, I authorize the Student Health Center or college designee to notify my emergency contact. I verify that all medical and psychological information I have provided is complete and accurate. I will notify the Student Health Center hereafter of any changes in my health that occur while a student at Canisius College. I authorize Student Health to communicate with me using my secure health portal, myCanisiusHealth. This communication may include but is not limited to lab results, clinical notes and additional medical recommendations for my ongoing care and treatment each semester I am a registered student at the college. Access to myCanisiusHealth is limited to the current semester enrolled. I also attest that I understand the limitations and possible risk of telemedicine visits.
