

## Statement of Academic Integrity

The Griff Center for Student Success is dedicated to academic excellence and is, therefore committed to establishing and maintaining an atmosphere of trust. All members of the Canisius College community agree and pledge to exercise complete integrity in their academic work. Academic integrity is the foundation of true intellectual growth; it demonstrates respect for oneself and for others.

All Canisius College students are automatically bound by the Code of Academic Integrity. Academic integrity requires a commitment to five fundamental values: honesty, trust, fairness, respect, and responsibility. The following behaviors violate the principles of academic integrity and are thus pro-hibited. These behaviors include: plagiarism; cheating; duplication of submission of the same work; collusion; false information and lying; falsifying academic documentation and forgery; theft, abuse, and destruction of academic property; unauthorized use of information technologies; and aiding and abetting academic dishonesty. Ignorance of the Code is not a valid reason for committing an act of academic dishonesty.

Students are required to maintain the same level of academic integrity and respect that is expected within the classroom when utilizing the Testing Center.

Please carefully consider and sign the following pledge:

**"As a member of the Canisius College Community, I understand and will uphold the standards for academic behavior as stated in the Code of Academic Integrity."**

**ACADEMIC ACCOMMODATIONS:** Please be aware that the proctor rooms for academic accommodations have video cameras. This is a protective measure to ensure the academic integrity of our students and office.

Cell phones and other electronic devices are not allowed in the exam room.

Due to the influx of room locations and evolving test schedules, there may be interruptions to your test taking environment.
