A school of opportunity.

Canisius College isn’t your typical U.S. university. It’s a place for you to uncover your talents. To immerse yourself in a dynamic city. To celebrate your own culture while experiencing brand new ones. To become a more compassionate, well-rounded person. And most importantly, to prepare yourself for a purposeful career and life. Welcome to Canisius. Come discover what you can do.
“Canisius offers a transformative education, and that’s especially true for our international students who receive the full American experience, full of learning, culture, and service.”

John J. Hurley, President

Our Catholic, Jesuit Mission

As one of 28 Catholic, Jesuit universities in the United States, Canisius has a rich tradition of academic excellence and service to others. Our philosophy may be best summed up by the Latin phrase, “Cura personalis,” which is translated to “care for the entire person.”

Buffalo – an All-America city, in more ways than one.

As New York State’s second-largest city, Buffalo is an exceptional college town with exciting opportunities around every corner. From Canisius’ 72-acre urban campus, you’re just minutes from parks, professional sporting events, farmer’s markets, art venues, theaters and more. Plus, you’ll encounter friendly people and diverse communities that have helped Buffalo earn the nickname, “The City of Good Neighbors.”

**Four Fantastic Seasons**
Western New York allows you to enjoy the four seasons at their finest — from free summer concerts at Canalside to the skiing and snowboarding slopes in nearby Ellicottville.

**A Blend of Old and New**
Buffalo has a treasured history as the home of two U.S. presidents, world-class architecture and pioneers of the industrial revolution. Today, the city is in the midst of a resurgence, from a redeveloped waterfront with hundreds of events throughout the year to cutting-edge medical research and startup companies.

**Dig in Great Food**
Buffalo may be famous for the birthplace of the chicken wing, but the city is filled with hundreds of highly rated and ethnically diverse restaurants.

**Travel Opportunities**
During weekends and breaks, Buffalo is a convenient starting point to visit and experience a number of other major American and international cities.

+ Niagara Falls, NY – 32 km
+ Toronto, ON – 159 km

A community for all.

At Canisius you’ll experience an international culture. Here, students from 28 countries and 44 states converge to live, learn and, of course, have some fun. Our intimate campus makes it easy to get to know your fellow classmates and professors — resulting in a close-knit community where you’ll feel at home.

Global Horizons & Global Fest
Comprised of international and American students, Global Horizons raises awareness for various cultures represented at Canisius. This includes organizing Global Fest — a campus-wide celebration filled with diverse food, performances, presentations and exhibits.

See the World
Experience new places, people and cultures through your choice of 40+ service-immersion trips each year, plus 21 study abroad locations in 13 countries.
Division 1 Sports
There’s no question about it—we bleed blue and gold. At Canisius, our strong athletic tradition goes well beyond the trophy case. Our students and community take great pride in cheering on our 20 NCAA Division 1 teams. The rivalries are fierce. The game-day atmosphere is intense. And Golden Griffin excitement can be felt all across campus and the city. Go Griffs!

Supporting every step of your journey.

College is an intense, exhilarating time in your life. As an international student, you have a unique set of challenges in front of you. At Canisius, you’ll find a variety of support resources to make the transition as smooth as possible, as well as help you thrive academically, socially, and emotionally.

International Student Office

The Office of International Student Programs (ISP) is your home away from home. Our dedicated staff provides individualized support from application through graduation, including leading an international student orientation, planning activities throughout the year, providing academic advisement and much more. The ISP staff provides all immigration and I-20 support for the F-1 visa students.

Language Support

Canisius offers a part-time, credit-bearing English as a Second Language (ESL) program to assist international and exchange students with reading, writing, speaking and listening skills.

Griff Center

If you need any type of academic or career support, chances are good that you can find it at the Griff Center. Just a few of the many services you can find at the Griff Center include:

- Academic advisement
- Tutoring
- Study Center
- Academic success workshops
- Career services
- Professional development
Career Opportunities.

The Office of International Student Programs can guide you through various U.S. work opportunities. Through Curricular Practical Training (CPT), you can enhance your academic curriculum with work/study or internships. Optional Practical Training (OPT) allows you to pursue sponsored employment related to your program of study after you graduate.

Making your American college dream a reality.

There are numerous factors to consider when selecting a U.S. college. At Canisius, we believe you’ll find exceptional value, with a premier education at a cost comparable to other private universities.

International Undergraduate Admission Requirements
+ A completed application (Canisius College App or Common App)
+ Copy of Passport biographical page
+ Secondary school transcripts. These transcripts must be originals, in English, certified by your school. If you have attended a college or university, please submit transcripts with English translations.
+ Proof of English Language Proficiency (right)  

International Graduate Admission Requirements
+ A completed application
+ Copy of Passport biographical page
+ Secondary school transcripts. These transcripts must be originals and must be evaluated by a third-party service such as WES or ECE.
+ Letter of Recommendation & Professional Resume—refer to program requirements
+ GRE or GMAT scores for certain programs—refer to program requirements
+ Proof of English Language Proficiency (right)

The following applicants are not required to demonstrate English language proficiency with a standardized test:
+ Native speakers of English who are citizens of Australia, Canada (except Quebec), Ireland, New Zealand, the UK, or South Africa who were also educated entirely in English
+ Citizens of Singapore who were educated entirely in English and who achieved a grade of at least “D” in English on the O-Level examination
+ Transfer applicants who have completed at least two terms (semesters or quarters) of English composition with grades of “C” or better at an accredited U.S. or Canadian college/university (except Quebec). ESL classes and foundation-level classes are excluded.

Canisius may offer conditional admission to international students who requires English language instruction before study at the university level. If you are conditionally admitted, contact the Office of International Admissions to find information on ways to gain full admission.
Canisius College grants academic credit for the following International Baccalaureate work:

+ An IB diploma will be recognized with 30 credits of work at Canisius, which is the maximum amount of credit granted for pre-college work.
+ 5 or higher on a Higher Level exam counts as two 3-credit courses – 1 Field in the core curriculum and 1 Free elective (unless a department recognizes specific course equivalencies).
+ 4 on a Higher Level exam counts as a 3-credit free elective.
+ 5 or higher on a Standard Level exam counts as a 3-credit free elective.

A student who has earned the IB Diploma will be awarded the full maximum of 30 credit hours. Official IB exam scores should be sent directly to the Office of Student Records to have individual diploma exams evaluated to determine specific transfer credit to be applied toward major, core curriculum, or elective course requirements. Major credit will be determined in consultation with department chairs. Students will not receive additional credit for AP exams that duplicate credit awarded for the IB exams, and the maximum amount of credit for pre-college work is 30 credits.
