Overview
The Griff Center for Student Success is proud to partner with employers for the recruitment and professional development of Canisius College students and alumni. The Griff Center offers assistance to employers in accordance with the Principles for Ethical Professional Practice by the National Association of Colleges and Employers (NACE). Employer partners are asked to act in accordance with those principles as well as all federal, state and local employment laws during all recruitment and professional development activities.

Job Postings
Employers can post jobs/internships via our online recruitment platform, Handshake. Career Development staff will approve/post opportunities for organizations that provide complete contact and job/internship information. If any important information is omitted, we reserve the right not to post opportunities for an organization. Personal email accounts (gmail, yahoo, etc.) are not permissible for job/internship postings and will be denied unless otherwise specified by Career Development staff.

Unpaid internships may be posted with the understanding that students must receive academic credit for these opportunities per the NACE Position Statement for US Internships. Students who accept unpaid internships must work within their academic department to receive academic credit.

The Griff Center is happy to host employers on campus for a variety of professional development and recruitment events for Canisius students and alumni. To do so, employers should reach out to Career Development staff with their recruitment needs and potential dates that they are available. Events and on campus interview dates will be made available by July 1 for the fall semester, and December 1 for the spring semester.

Career Development staff members can be of assistance with the following:

- Locating and booking space on campus for the event, or, creating a zoom meeting for virtual events
- Facilitating the ordering of food and beverages for attendees
  - Note: campus catering orders must reach a minimum of $100; if a food order does not reach a minimum of $100, a delivery of Franco’s Pizza can be made available instead
- Promotion of the event to Canisius students and alumni via the Handshake platform, flyers on campus, and emails to appropriate faculty and staff
- Day of logistics such as: student check in, employer welcomes, etc.
