

## School Counseling Program

### Recommended Sequence of Studies

\*The College reserves the right to cancel, reschedule or adjust classes as necessary.

**Note:**

**EDC 567 ONL *Principles of School Counseling*** – taught Fall semester only (Online Class).

**EDC 568 ONL *Principles of Mental Health Counseling*** – taught Spring semester only (Online Class).

**EDC 597 *Psychopathology*** taught in the Fall and Spring Semesters

**EDC 598 *Case Conceptualization, Tx Planning and Psychopharmacology*** taught Fall semester only.

(Additional required courses will be taught in the Fall and Spring semesters, and occasionally during the Summer semester as long as enrollment allows. Please note: School Practicum/Internship are not available during the Summer semester. The Summer semester offers limited agency placements for Summer seminars for Practicum/Internship.)
