

4+2 MS Engineering & Computer Science Partnership with Syracuse University

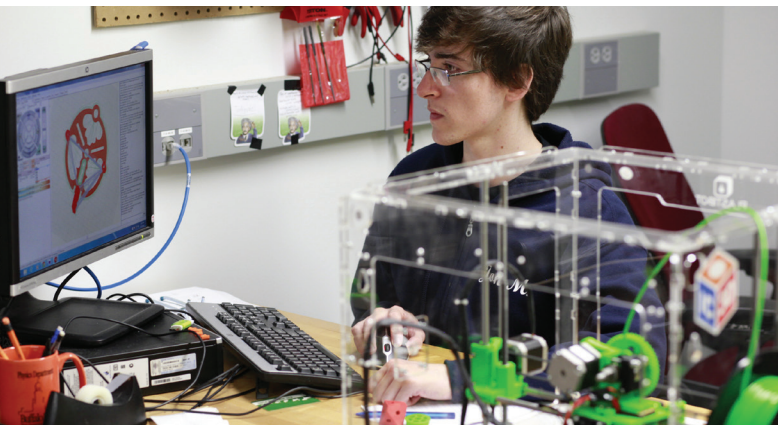

Earn Your Bachelor's + Master's Degrees in Just 6 Years

Canisius University students can accelerate their academic journey through a 4 + 2 partnership with Syracuse University's College of Engineering and Computer Science.

How It Works

- Complete 4 years at Canisius University
- Earn your Bachelor's degree in Biology, Biochemistry, Biomedical Science, Chemistry, Environmental Science, or Math with a GPA of 3.2 or higher and receive a faculty recommendation
- Seamlessly transition to Syracuse University
- Complete your Master of Science in Engineering or Computer Science in just 2 more years

Program Benefits

- ▶ Streamlined pathway to an advanced degree
- ▶ Strong foundation in science, mathematics and computing
- ▶ Access to Syracuse University's nationally recognized engineering programs
- ▶ Expanded career opportunities in high-demand technical fields
- ▶ Competitive advantage in graduate school admissions

Syracuse University MS Programs Include:

- Biomedical Engineering
- Chemical Engineering
- Civil Engineering
- Computer Engineering
- Computer Science
- Cybersecurity
- Electrical Engineering
- Engineering Management
- Environmental Engineering
- Environmental Engineering Science
- Mechanical and Aerospace Engineering
- Operations Research and System Analytics
